

CLASSES

CALISTHENICS are body weight exercises, that consist of a variety of movements often without equipment or apparatus - This class is designed to increase body strength, flexibility through movement. Expect to perform pulling and pushing exercises, using only your bodyweight, bending, jumping as well as swinging and hanging. This type of training is known to increase motor skills such as balance, agility & Co-ordination, which will only make you better in the ring!

FIT Circuit Fight Intensity Training. High intensity stationed workouts inspired by boxing fundamentals.

FOAM ROLLER This is a 30 minute class using your own body weight on the Foam Roller enabling you to perform self massage, myofascial release, break up trigger points, soothe tight fascia, and increase blood flow and circulation throughout the body.

HE BOX Take it to that next level and enjoy the camaraderie that comes with it! No distractions, just hard hitting, heart burning, push the sweat - MAN TIME! Designed for all levels of fitness and skill, this class will see you progress through the ranks!

HIIT Body resistance High Intensity Interval Training using primal movement patterns catered for all levels of fitness and abilities. This class is all about pushing your physical and mental comfort zones leaving you with your endorphins raging and those long lasting after burn effects.

LUNCH BOX Fantastic body conditioning lunchtime boxing class: punchout all your daily stress and burn calories! Suitable for men and women of all fitness and skill levels.

MIX BOX Fitness uses simple non-contact boxing moves. Develop aerobic, anaerobic and muscular endurance plus core strength. Shadow box, pad and bag work plus exercises.

PADS & ABS Time to HIT the pads! Working in pairs, Pads & Abs will help you hone your hand/eye co-ordination through timed shots and combinations! Back that up with some serious core work to take your rotational skills up a level!

POWER BLAST High intensity training at its heart racing best! Circuit exercises using body resistance to get you at your leanest and meanest. Boxing free, but it'll still KNOCK YOU OUT!

POWER BOX Step up to the pro rank with 12 x 3min rounds of heavy bag work. Where endurance meets anaerobics - a great way to build stamina in legs, lungs and shoulders.

SHE BOX Strengthen and sculpt your body. Female specific, non-contact boxing techniques that tone and define muscles. Simple format allows you to work to capacity; burn calories fast!

TRX SUSPENSION TRAINER A workout system leveraging your bodyweight providing greater performance and functionality. Develop boxing fundamentals of strength, balance, flexibility and core stability.

HIT TURBO! This class is a NZ First and only available at 1MR. Using the TURBO Staff sponsored punch trackers, class athletes will be able to see their strike intensity, punch count and average speed on the screen during the class! See how you are tracking, when you slacked off, and when you pushed your boundaries! You choose your competition - you or your next door neighbour - Time to turn up the heat and HIT the TURBO button!
